Welcome Back

Welcome back! I hope you had a relaxing holiday and enjoyed time with your family. Hilltop Road has many exciting programs and opportunities planned throughout 2016.

New Families

Welcome to our new students and families who have joined the Hilltop Road Public School community. Our school is very community orientated and provides many opportunities to become involved within our school. Please make our new families feel welcome and part of the Hilltop Road School Community.

Holding Classes

Hilltop Road Public School will continue to implement the Holding Class strategy to ensure we have our final student numbers and staffing aligned, before forming new classes. Your child will remain with their 2015 class and teacher, where possible. We are anticipating more enrolments than last year. During holding classes our students will:

- revise and learn about the Positive Behaviour for Learning (PBL) school matrix. The PBL matrix clearly defines our school expectations and behaviour within our school community.
- engage in a series of mathematical experiences teaching place value
- learn about Design Thinking and how it can be utilised to solve identified problems of practice

Welcome New Staff Members

Miss Caitlin Crabbe will join our team during 2016.

Welcome Back

Welcome back Mrs Joanne Sikorski and Mrs Emma Bartlett who have returned from maternity leave.

Congratulations Mrs Turrini

Congratulations to Mrs Turrini who gave birth to a beautiful baby girl, Livia. Both Mrs Turrini and Livia are doing well.
Holroyd Citizen of the Year

Congratulations, to Mr Rob Grimley who was the joint winner of the Holroyd Citizen of the Year award.

Rob is a valued member of our school community. He is the RSL sub-branch vice-president, the Parramatta Memorial sub-section representative of the Naval Association of Australia and state secretary.

Mr Rob Grimley and Mr Ron Brown (a long serving scout leader) were surprised at the judges' decision.

Mr Grimley was recognised for his efforts in planning last year's Anzac Day centenary commemorations as Merrylands sub-branch vice-president, where he also looks after memorabilia.

Rob was honoured and humbled at his award. Congratulations Rob, we are proud of your achievement and appreciate all your work with our school community.

Rob worked hard with our students last year involving them in work with the Merrylands RSL Memorabilia project. He is a wonderful asset to our school community.

Australia Day Public Speaking

On Australia Day, two of our past students Daniella De Menezes and Matthew Lee delivered the Australia Day address at the local Holroyd celebrations.

Congratulations to these exceptional students who continue to lead and inspire others within our local community. Well done, Daniella who received the Holroyd City Council's High School Public Speaking Competition.

Swimming Carnival

The annual Swimming Carnival will be held at Merrylands Pool on Tuesday, 16th February, 2016. All children in years 3-6 are encouraged to attend this school event, as there are races for swimmers and fun activities for non-swimmers. A note for this event will follow.

Kindergarten Students

Kindergarten students will commence school on Tuesday 2nd February after completing the Best Start assessment. This assessment is a state wide initiative that assists our teachers to establish a child's point of instruction in Numeracy and Literacy.

We are looking forward to another great year.

Welcome Back!

Have a great week.
